

BLAST MK II AIR PURIFIER

The Blast is a simple yet powerful air purifier, filtering 99.95% of PM2.5, dust, pollen and viruses with its H13 grade HEPA filter.

USAGE

Suitable for use in large commercial areas like hospitals, homes, offices, and schools. Effectively filters dust, pollen, allergens, gases, VOC, pet hair, PM2.5, smoke, odours, viruses, and bacteria.

*The carbon filter is an optional add-on.
