21 April 2020

Dear Mr. Sterk

Re: Acknowledgement and appreciation of your donation to the icddr,b COVID-19 Appeal

Greetings from icddr,b!

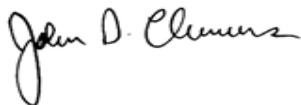

I am writing to confirm that we have received your kind donation of 2 Smart Air purifiers (BLAST MINIs) on April 18th, 2020 for the icddr,b COVID-19 Appeal. Your BLAST MINIs will be used in our special ward for patients admitted with Coronavirus symptoms.

Your contribution is truly in the spirit of Smart Air's vision of 'bringing clean air and good health to more communities'. Your support will help us to continue our hospitals' humanitarian mission and aid us in tackling this national public health emergency. We sincerely thank you for your generous donation to the icddr,b COVID-19 Appeal Fund. We consider ourselves very fortunate to have your support.

We would be grateful if you could please tell your friends, your business contacts and your relatives about our COVID-19 appeal. Please direct them to donate via our website at <http://covid19.icddrb.org/>. No gift is too small or too large. icddr,b has the ability and capacity to make a difference, and with your valuable support, we can change the lives of our most vulnerable population. Together we can weather the storm.

We look forward to updating you on the positive impact of your donation and thank you again for your support.

With much appreciation,

Professor John D Clemens, MD
Executive Director
